The Court at the admission stage made the following:

ORDER:

Absolutely no case is made out to show that the action of the respondents in not leasing out the lands in question, is in violation of Statutory provisions. Admittedly, the third respondent is the owner of the property and it is always open for them either to lease out the same to any third party or to cultivate by themselves. Hence, the writ petition is misconceived and accordingly the same is dismissed. No costs.
